29th **SPINK - SHREVES GALLERIES**
(Dallas, TX)

Offered as an unreserved public auction is the extraordinarily comprehensive and very valuable **Edward M. Gilbert Collection of the Postage Stamps of Italy and the Italian Empire**, the sale being conducted at the Spink - Shreve Galleries, located in mid-town Manhattan (145 West 57th Street, 18th Floor New York, NY 10019).

The **Edward M. Gilbert** Collection is an extraordinarily and inordinately comprehensive (and largely mint) collection of the postage stamps comprising the entire philatelia of the 1850-1940 Italian Areas, including the **Italian States, Italy, Italian Offices Abroad, Italian Colonies, San Marino** and, **Vatican City**. It include an

impressive range of desirable Rarities, Errors and varieties, and with most key items having been expertized.

His collection is filled with an incredible number of stamps which are seldom seen on the market today, whether being modestly priced, or valuable rarities. Mr. Gilbert was very fond of Varieties and Errors, and not 'fly speck' varieties, but desirable and highly collectible stamps, such as Inverted Centers, Double and/or Inverted surcharges, rare perforations, and the like. Most importantly, virtually all of the most valuable stamps have been expertized, or are accompanied by certificates from many of the major certification services in existence today.

Equally impressive are the collection 'balances', which are far superior to most collectors' intact collections. These 'balances' include a remarkable range of scarce and seldom-seen stamps not typically present in most collection 'balances'.

Spink - Shreves Galleries has prepared an all-color, handbook style, auction catalog to commemorate the **Edward M. Gilbert Collection of the Postage Stamps of Italy and the Italian Empire**. These catalogs are available for \$20 (U.S.A. addresses), or 20 Euros (non-U.S.A. addresses), and can be ordered OnLine or via E-Mail.

NOTE: The entire Spink - Shreves Philatelic Galleries auction catalog can be viewed on their WebSite [see below].
