## **19th - 20th ROBERT A. SIEGEL AUCTION GALLERIES (New York, NY: Sale No. 865)**

Three very important sales of **United States** Stamps and Postal History.

-----

**Sale No. 901:** A single-lot auction featuring the unique **1918 United States 24¢ "Inverted Jenny" Plate No. Block-of-4**. This legendary item is presented in a hardbound catalogue with complete historical data and provenance of the item; the catalog itself surely will become a "must-have" philatelic library addition. This exceptional Plate No. Block, possibly the most famous and most significant item in **United States** philately, is expected to knock-down at \$2.5-3.5 Million, but it would not be surprising if it fetched even more.

-----

**Sale No. 902:** An auction featuring "'**Superb**' and '**Rare**' **United States Stamps**. A *crème de la crème* selection of some of the finest philatelic examples extant. There are very many exceedingly nice examples for your collection being offered here, starting with an extra-fine example of the 24¢ "**Inverted Jenny**" (Pos. 35, **PF-Graded 85, PSE-Graded 85, Auctioneer-Graded 90**). Other gems in this sale include an 1847 5¢ unused OG Bottom Margin Block-of-4, an 1847 10¢ unused OG traces single, an 1856 5¢ unused full-margined single, and much, much more in the way of extremely fine 19th-Early 20th Centuries issues.

-----

**Sale No. 903:** The "'**North Fork**' Collection of Superb 20th century **United States** Stamps. An impressive assemblage of early-1900s issues, starting with some in-your-face quality 1902-1908 definitives, and it continues on from there, slowing down at the Kansas-Nebraskas and 4th Bureau definitives; the final lot (N<sup>o</sup> 1796) is the "**Balance of the Collection**", with a **Sc** catalog value of \$1656 --- I'll venture to guess that the knockdown will be a multiple of that figure.

A most magnificent auction featuring the exemplary **Frederick R. Mayer Collection** of the **United States** 1856 Five Cent Issue.

Verbiage cannot do justice to the wonderful collection of the **United States** 1856 Five Cent Issue (**Sc 12**) that Mr. Mayer assembled.
