Another Hitler piece is a signed order dated 25 July 1943, in which Hitler calls for the stepping up of V-2 Rocket production.

Among Bailry's philatelic offerings are a cover originating in the **Netherlands** that was salvaged from the 1937 **Hindenburg** airship disaster, the 1943 Reinhard Heydrich presentation sheet that was given out to officials attending the ceremonies on the first anniversary of Heydrich's assassination, and a full Sheet-of-25 of the Theresienstadt Parcel Authorization Labels with imperforate left margin (Michel 1, 1UI).

**24th - 26th ROBERT A. SIEGEL AUCTION GALLERIES**  
**(New York, NY: Sale No. 944-945)**

Two important public auctions of prime **United States** Postage Stamps and Postal History:

~ ~ ~ (Sale No. 944) The incredible and incomparable first-time-offered **Historical Society of Pennsylvania United States** Postal History Archives.

The catalogue comprises individual lots as address leaves and envelopes (covers), to be sold for the benefit of the collections of **The Historical Society of Pennsylvania**. Founded in 1824 in Philadelphia, the Society is one of the oldest historical societies in the United States and holds many national treasures.

None of the covers in this offering has written content; therefore, they were deemed to be of no use to researchers. Their value to collectors of postal history will be used to enhance the Society's collections. For collectors, this sale is an unprecedented event. The sheer number of significant 17th and 18th century covers in this offering is staggering (there are hundreds of covers dated prior to 1789).

Large voids in the collecting field have been filled; for example, there are important covers from the **colonial-era French War** and **Indian War**, and three covers related to the **1794 Whiskey Rebellion**.

Many new listings will be required in the *American Stampless Cover Catalog*, including **Annapolis** and **Marlboro, Maryland**, postmarks dating from 1735 (25 years earlier than previously recorded), and a **Falmouth-New York Packet** cover from December 1755, close to the inauguration date of this important Colonial packet service.

Collectors of **Pennsylvania** covers will now have an opportunity to own covers addressed to **William Penn** in 1684 and **Phineas Pemberton** in 1683. There is an opportunity to choose from 32 **George Washington** and 18 **Thomas Jefferson** franks, as well as the franks of **Benjamin Franklin**, **John Hancock**, **John Adams** and others.
